Advancing AI Innovation Together

Joint Venture Excellence: IntellectFaces Inc. & Shivan Technologies Inc.

Over 20+ Years Combined Experience | Bringing together AI Innovation and Digital Transformation Expertise

About Novara Solutions:

Novara Solutions delivers mission-critical AI innovation and digital transformation solutions that give federal agencies a competitive edge. Born from the strategic partnership between IntellectFaces Inc.'s cutting-edge AI expertise and Shivan Technologies Inc.'s proven IT and cybersecurity excellence, we transform complex challenges into streamlined, secure operations.

Our 20+ years of combined experience spans successful deployments across DoVA, DOJ, Navy, and Marine Corps, delivering measurable ROI through intelligent automation and legacy modernization. We don't just implement technology—we architect solutions that accelerate your mission success. With Top Secret clearances and multiple contract vehicles, Novara Solutions is your trusted partner for turning federal IT challenges into strategic advantages. Ready to transform your operations? Let's build the future together
